## CATERING RIDER

This catering rider is based upon the typical standards and should be kept at least basically. The well-being of a band on the road is very important. We'd like to thank you in advance for your good will.

4 musicians (+ sometimes one or two tour companions)

### **food:**

No vegetarians in the band.

### **IMPORTANT:**

one of us is gluten intolerant and thus cannot eat food with wheat, rye or barley (such as bread, pasta, beer, etc.).

### **beverages:**

Enough mineral water off and on stage (at least 1lt per musician).

### **warm meals:**

After the soundcheck or upon agreement with the group, the organizer shall provide one warm meal for each bandmember (and tour companion if possible). Those meals can also be served at a near by restaurant. In that case the organizer shall provide ca. 15 Euro for each person.

Thanks a lot!!
